SUBJECT: LEAHY VETTING FOR U.S. SPONSORED TRAINING:
BATTALION LEVEL STAFF OFFICER COURSE TO BEGIN OCTOBER 21,
2008 IN THE DRC

REF: KINSHASA 815

¶1. (SBU) The Department of State has reviewed its files and finds that as of October 2, 2008, it possesses no credible information of gross violations of human rights by the officers listed in paragraph 3. The review, however, revealed that the EX-FNI Unit did have 5 militiamen who were sentenced for the murder of UN military observers. Two names from the list were associated with the Unit:

6) MATESO, Tsedha

58) SOLO, Mateso.

¶2. (SBU) Post should note that these two individuals have been identified as members of the EX-FNI Unit; however, there is no compelling evidence that links them to specific human right abuses. The Department of State is aware that the EX-FNI Unit is responsible for human rights abuses committed in the past, and therefore encourages Post to conduct further investigations on the individuals cited above. After reviewing the current information available, the Department of State is unable to deny clearance to these individuals without direct evidence that links them to human right abuses. The discovery of any evidence that contradicts this review will terminate clearance to the individuals in question and should be brought to the Department's attention immediately.
